Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

As previously reported on a Form 4 filed on August 12, 2011 by the reporting person, the reporting person reported acquiring stock options to purchase 850,000 shares of Common Stock (\$0.01 par value) pursuant to the Company's 2004 Amended and Restated Stock Incentive Plan. However, the Company subsequently determined that stock options to purchase 600,000 shares of common stock were not (1) validly granted pursuant to the Company's 2004 Amended and Restated Stock Incentive Plan because they exceeded the limit on the number of stock-based awards that may be granted to any individual participant within any calendar year. Accordingly, the attempted grant of these excess stock options was ineffective, and they were never granted to the reporting person. The reporting person is filing this amendment to report the correct amount of stock options acquired.

The option vests in 3 installments over a 3-year period: 83,333 on 8/10/2012; 83,333 on August 10, 2013; and 83,334 on August 10, 2014. The option further provides that if the reporting person's (2) Continuous Service is terminated for any reason except death, disability or for cause, the option, to the extent that it is exercisable on the date of such termination, may be exercised no later than the later of: (a) September 30, 2015; or (b) three (3) months after the date of termination, provided that in no event shall the option be exercisable later than August 10, 2021.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
